

Stephenie Scialabba is the Gun Owners' Choice Candidate for State Representative in HD 12

I am delighted to endorse Stephenie Scialabba for State Representative in Pennsylvania's new House District 12.

Pro-gun stalwart, Rep. Daryl Metcalfe, is retiring leaving an open seat for the district. So, it's imperative that we elect a strong, pro-2A legislator to replace him.

Stephenie is that person!

Of the three candidates who were evaluated, Stephenie was clearly the most committed to your Second Amendment rights. How so?

First, Stephenie scored a perfect, 100% on her 2022 GOA candidate survey. Her essay answers were also the most articulate of any of the other Republican candidates. Stephenie clearly understands the intent of the Second Amendment.

Second, Stephenie's commitment is NOT just theoretical. Of the three Republican candidates, she is the only one who has a license to carry firearms. That means that she doesn't just talk the talk, but also walks the walk.

Finally, Stephenie's interview demonstrated her passion and commitment to your Second Amendment rights. After speaking with her and the other candidates, there is no doubt in my mind that she is head and shoulders above the rest.

Here is what Stephenie has to say about the importance of the Second Amendment in her own words:
'The Second Amendment is the one that protects life, liberty and the ability of citizens to exercise their God-given, inalienable rights. That most important Amendment serves as the backbone of the Constitution and our Country. Without it, we have no power to protect ourselves, our freedoms, or our families. The Second Amendment, in short, is the one that protects the rest.'

Brilliant! That's why GOA is endorsing the experienced attorney, Stephenie Scialabba for State Representative in HD 12. So, vote for Stephenie Scialabba in the May 17th Republican Primary and be sure to volunteer/support her [campaign](#).
