Dear Ms. Scialabba,

Thank you again for completing our candidate questionnaire.

You have been awarded the designation of **PRO-LIFE**, which is our highest rating.

We are thankful that you oppose the use of our hard-earned tax dollars to pay for abortion. We are grateful that you support common sense solutions such as informed consent and parental consent. We appreciate your support for pregnant women facing challenging circumstances.

We thank you for your willingness to stand up for the most vulnerable among us, especially during these challenging times.

All the best,
